My dear President Falconer,

I write to ask if my son Arthur may be excused from report- ing for the Autumn Term in Arts at the University - Owing to

losses, & non payment
of dividends. partly in
consequence of the war
I am quite unable to
finance him for the
present. He has a
position in the Civil
Service in Ottawa & will
have to remain there
until after Christmas
when I hope he will
be able to go up &

finish his fourth year & get his B.A. next Spring —

I hear that this has been done by other students, so I hope you will grant Arthur this privilege — otherwise he will have to give it all up — which would be a terrible disappointment to both of us —

I am sure you & Mrs. Falconer are happy to be safely at home again. What an anxious time you must have had & what a sight to see the greatest of wars in the making - Hoping for a favorable reply & with kindest regards to you both

Sincerely Yours
Isabelle Bourcicot

Lady Bourinot,

Ottawa.

Dear Lady Bourinot:

In the absence of President Falconer in England I beg to acknowledge the receipt of your letter of the 28th inst. regarding your son. It will be necessary for him to fill out the enclosed petition stating that he will not be able to return for the Michaelmas Term and asking for dispensation from attendance upon lectures. The petition should be sent to the Registrar, Mr. Bredner, who will forward it to his own College authorities.

Yours very truly,

President's Secretary.

Lady Bourinot,

Ottawa.

Dear Lady Bourinot:

I have received your letter with regard to the petition of your son. Your first letter which came during my absence was sent on to the Registrar to lay before the Committee which deals with dispensation.

I have seen the Principal of the College and the Registrar and I have asked them to do anything in their power in the way of granting the petition. As far as I am aware it has not yet been dealt with owing to the accumulation of such petitions at the beginning of the term.

Yours sincerely,

President.
